Counselling Services

- The service ensures that students of the university have access to psychological counselling during office hours.
- The objective of the Service is to help students through difficulties, dilemmas and anxieties concerning them, making their experience at Monash University Sunway Campus a better one.
- The Service focuses on the needs and goals of the person, and facilitates in enhancing their coping skills.
- Apart from counselling, the Service also organizes monthly lunch time talks and other workshops or programs for students on topics that correspond to their needs.
