

LEARNING SKILLS

LIBRARY & LEARNING COMMONS

- Dr Joanne Rajadurai

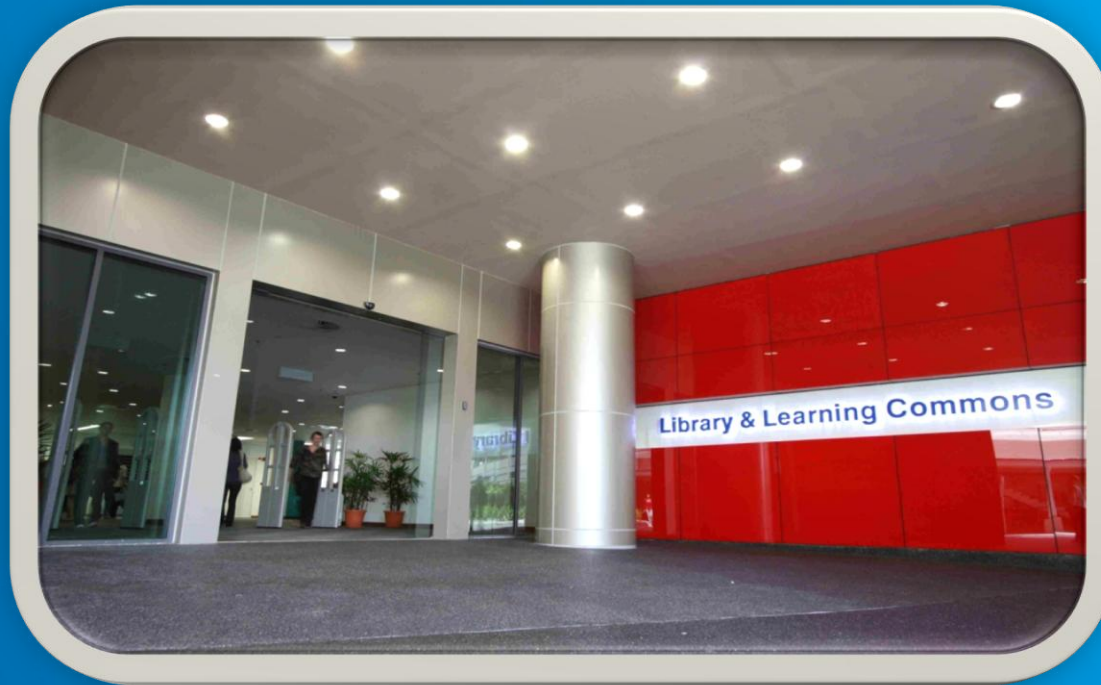

What do we do?

- Learning skills advisers assist students in improving their approaches to learning and academic English.

Where are we?

- Learning Skills is a service provided under the Library & Learning Commons (LLC).

Who is the service for?

- The LLC supports the development of learning skills in all students
 - from first year undergraduates to higher degree students

What does learning skills cover?

- study skills and methods
- effective listening and note-taking
- critical thinking
- reading strategies
- essay, report and thesis writing
- writing for research projects
- oral communication and presentation
- exam preparation
- academic English

How do we deliver the Learning Skills programs?

- 1) Workshops , classes and seminars
- 2) Integrated teaching within faculty curricula
- 3) Drop-in sessions
- 4) Individual sessions for students (with referrals)
- 5) Print, online and e-resources

This support is provided free of charge!!
