Top reasons to choose Monash Malaysia

- Our degrees share the same syllabus with the Australia campuses, some of which are enhanced with a regional focus.
- Your Monash University degree will be recognised by the Ministry of Higher Education Malaysia and quality assured by Monash University Australia and the Australian Tertiary Education Quality and Standards Agency.
- You'll enjoy significantly lower tuition and living expenses than you would studying and living in Australia, the US or the UK.
- You'll be in proximity to countries in the Indian subcontinent and Asian regions.
- Our campus has excellent transport links, giving you full access to the city and international airports if you're looking for a weekend adventure to a neighbouring country.

Our university profile

These ready-to-use boilerplates can be adapted for marketing materials, websites, publications and other communications to accurately showcase who we are, what we do, and what we stand for.

~200 WORDS

Established in 1998, Monash University Malaysia is the third-largest campus of Australia's largest university. We are a premier research-intensive Australian university consistently ranked among the top 50 universities in the world by the QS World University Rankings and a founding member of Australia's prestigious Group of Eight.

A self-accrediting university, our campus offers a distinctly international and culturally rich environment with over 13,800 students from 92 countries studying degrees in arts and social sciences, business, engineering, information technology, medicine, psychology and health sciences, pharmacy, and science. Our students are taught by highly qualified academic staff from across the world, and the same rigorous standards are applied at the campus as at other Monash campuses.

Since welcoming our first cohort of 417 students, we have built a reputation for quality, credibility and integrity, and are held in high esteem by our students, alumni, industry, and government. We uphold a proud tradition of educational excellence, underpinned by liberal values of inquiry and intellectual curiosity. This creates a dynamic and supportive environment where bright minds can thrive, offering both an enriching academic journey and lifelong opportunities for those seeking to advance their education and careers.

Clear space

To maintain clarity, legibility and brand integrity, the logo must always be surrounded by adequate clear space.

- The minimum clear space is defined by the height of the letter "M" in Monash.
- This measurement applies to all logo formats.
- No text, imagery, graphic elements or page edges may encroach within this exclusion zone.
