Special Consideration
Deferred final assessment application form
(end-of-semester exam/assessment task)

This form is to be used by current students applying for special consideration for performance in the final piece of a unit's assessment, such as a formal end-of-semester exam or assignment.

For an ongoing illness, please contact the Disability Liaison Unit (DLU) for assistance - students with disabilities, chronic medical conditions and short term injuries can request alternative arrangements for academic assessments under the separate Alternative Arrangements for Assessment policy.

Eligibility
A student who is unfit to attend or complete an end-of-semester examination or other end-of-semester assessment due to acute illness or other exceptional cause beyond their control may apply for deferred final assessment.

The accepted causes are:
• acute illness - e.g. hospital admission, serious injury, severe asthma, severe anxiety or depression. Does not include minor illness such as a mild cold.
• loss or bereavement – e.g. death of close family member, family relationship breakdown.
• hardship/trauma - e.g. victim of crime, sudden loss of income or employment, severe disruption to domestic arrangements.

Deferred final assessment can also apply to:
• students demonstrating relevant obligations to military or jury service or service to emergency services such as the Country Fire Authority; and
• elite athletes registered with Team Monash’s talented student support program participating in a key event.

Closing dates
Early applications: Students who submit a completed application with supporting documentation no later than five University working days before the day of the examination for which deferred final assessment is sought will receive early notification of the outcome (refer to: What Happens Next).

Other applications: Submit your application no later than two University working days after your last exam for this semester or no later than two University working days after the due date of the end-of-semester assessment task. In exceptional circumstances, students should consult the Faculty before submitting an application.

Note: Students who complete the final examination/assessment task will not be eligible for deferred final assessment.

Submission details
Submit this form to the faculty managing your course.

Medicine, Nursing & Health Science students need to submit applications to the school or department office administering your course.

Supporting documentation
Supporting documentation must be provided and can include one or more of the following:
• evidence provided by medical practitioners. Medical certificates must state that the student was unfit to sit the examination on the relevant date or complete work for assessment on or before the relevant date.
• evidence provided by other professionals who are registered with a professional body, such as social workers, lawyers and psychologists. Such certificates must state that the student was unable or unfit to sit the examination on the relevant date or complete work for assessment on or before the relevant date.

What happens next
Your application will be assessed by the teaching department/faculty, which will ensure that any appropriate action is taken. Your request for deferred final assessment will be determined by the relevant Board of Examiners. A mark adjustment will not be made under any circumstances.

For early applications for deferred examinations, you will be notified of the application outcome via your student email account at least 24 hours prior to the examination advising either:
• the application is successful and that you should attend the deferred exam only; or
• the application is unsuccessful and that you should attend the current scheduled exam.

For other applications, you will be notified of the application outcome via the Web Enrolment System for final exams or by your student email account for other end-of-semester assessment tasks.

Important warning
Note: An incomplete result (DEF or WH) does not satisfy unit prerequisites. Therefore you may not be able to undertake units that require this unit as a prerequisite until the result of this unit is finalised. This may limit the choice of units in the coming semester.

Privacy statement
The information on this form is collected for the primary purpose of assessing applications for special consideration. Other purposes include: to decide the form of special consideration to be granted, monitor special consideration applications, send any necessary correspondence in relation to the application, and for the Board of Examiners to assess compliance with the special consideration policies and procedures. The information on this form may be retained by the University for the duration of your enrolment.

If you choose not to complete all the questions on this form, it is unlikely that the faculty will grant your application for special consideration. You have a right to access personal information that Monash University holds about you, subject to any exceptions in relevant legislation. If you wish to seek access to your personal information or inquire about the handling of your personal information, please contact the University Privacy Officer on +61 3 9905 6011.
