

## 2021 Intake

### School of Arts and Social Sciences (SASS) Unit offering lists

#### A2011 Bachelor of Digital Media and Communication (BDMC)

##### Important notes:

- Students **must refer** to [Monash student handbook](#) as a guidance for the Arts course structure.
- You must meet the requirements of your course as detailed in the Handbook edition for the year in which you started your course. For example: The course and areas of study details provided in the current edition of the Handbook are for those students who commence their course in 2021, while a student who began their studies prior to 2021 should go to the archived Handbook edition for the details of the units they are required to do, and rules of the course that applied to them.
- **\*Intending Honours Students:** Students must have completed a major in the discipline, with a minimum of 24 points of study at level 3 to be eligible. Please contact [Arts Course Management Office](#) (CMO) if you have further inquiries regarding the Honours entry requirements.
- Please refer to these links for Psychology unit offering lists: [extended major](#) (10 units) / [major](#) (8 units) / [minor \(4 units\)](#).
- **IMPORTANT:** A unit may count only towards one area of study, for the purpose of meeting course requirements (except as described in the Handbook entry for the course). This is the case even when the unit is listed against two or more areas of study (e.g AMU3744).
- **Credit points:** The number of credit points a unit is worth. A typical full-time course load per semester is 24 credit points. Most units are worth 6 credit points each, but some require a higher workload, so may be worth 12, 18, or 24 credit points. You don't receive any credit points for a failed unit.
- Please take note that you also need to complete the General studies requirements. Please refer to this [link](#) for more details on the General studies.
- Please email Arts Course Management Office (CMO): [mum.sasscmo@monash.edu](mailto:mum.sasscmo@monash.edu), if you need further advice regarding your course structure requirements.

##### Definition (Handbook glossary)

**Corequisite:** A unit or requirement you have to complete or meet at the same time as you're studying your chosen unit.

**Prerequisite:** A unit or other requirement you must successfully complete before you can study your chosen unit.

**Prohibition:** A unit or other requirement which, if you've already completed it, means you won't be allowed to study your chosen unit.

**Workplace integrated learning unit:** This unit teaches you how to apply the academic knowledge you've learned to the real world, practice situations and to experience the kind of work environments and tasks you're likely to encounter when you enter the workforce (AMU3575, AMU3744, AMU3650).

**Hurdle:** Hurdles are compulsory unit requirements that must be met in order to achieve a pass mark for the unit. If your unit has hurdle requirements, they will be specified in the [Handbook](#).
