LIBRARY RESOURCES

DIGITAL FIRST
There are multiple forms of resources (e-books, e-journal articles, online databases) within MUA Library's digital collection, including open access resources to meet your needs. Get started with the Search box.

EQUITABLE ACCESS
We strive to develop graduate capabilities by providing equitable access to digitally rich learning resources.

We invite academic staff to contact us for assistance with open education resource (OER) identification.

LOANS AND FINES
All current loans will be extended until campus access is permitted and the Library re-opens. Any item due during this period will not incur any fines. Please check MyLoans for information on your loans and holds.

BEST EFFORT DOCUMENT DELIVERY
Most library networks have limited access to print materials. We will do our best to find alternative sources. Let us know about your document delivery requests.
