# Cumulative Grade Point Average for use in Malaysia

**Student id:**                                                                     **Date of issue:**

**Student Name:**

This document verifies the cumulative grade point average achieved by the above named student in all courses studied at Monash University.This document should be read in conjunction with the student's Academic Record, a formal transcript of the student's academic history at Monash University, which includes all unit attempts and grades for each unit.

| Course | Required Credit Points | Achieved Credit Points | CGPA Malaysia |
|---|---|---|---|
|  |  |  |  |

The Cumulative Grade Point Average for use in Malaysia (CGPA Malaysia) has been calculated using the following scale：

| Grade | Grade value for CGPA Malaysia |
|---|---|
| High distinction | 4.00 |
| Distinction | 3.67 |
| Credit | 2.85 |
| Pass | 2.15 |
| Near pass | 1.70 |
| Fail | 1.15 |
| Withdrawn fail | 0.0 |
| Other grades (see below) | Not included in calculations |

**Grades not included in the CGPA Malaysia calculation:**
• SFR (satisfied faculty requirements)
• NE (not examinable)
• NAS (not assessed)
• WI (withdrawn incomplete).

**Formula for the CGPA Malaysia:**

$$CGPA\ Malaysia = \frac{\sum (\text{grade value for CGPA Malaysia} \times \text{unit credit points})}{\sum \text{unit credit points}}$$
