

School of Arts and Social Sciences

Bachelor of Arts and Social Sciences Course Code: A2006

A Sample of Course Progression Plan (Course map) for February intake (Semester 1).

This sample scheme shows you how to map your degree so as to complete all degree requirements.
It should be used as a guide only.

- ✓ In choosing your units you must ensure that you complete no more than 10 level 1 units, and complete at least six units at level 3 of which four must be listed in the Bachelor of Arts and Social Sciences or the Faculty of Arts.
- ✓ A unit may count only towards one area of study, for the purpose of meeting course requirements (except as described in the Handbook entry for the course). This is the case even when the unit is listed against two or more areas of study (e.g AMU3744 Workplace Learning Internship).
- ✓ **Intending Honours Students:** Students must have completed a major in the discipline, with a minimum of 24 points (four units) of study at level 3 to be eligible.

Psychology major (10 units)

- ✓ If you are studying in an APAC-accredited course, you may complete the ten unit (60 point) extended major, accredited by the Australian Psychology Accreditation Council (APAC) and intended for those who wish to specialise in psychology. This option provides a pathway to further study in psychology and to the training required to practise as a psychologist in Australia.
- ✓ **Progression to Honours:** Students completing a relevant course with a 60-point APAC-accredited major sequence in psychology are eligible to apply for entry to a fourth year in psychology through an honours year or equivalent. Refer to the psychology honours entry in the student handbook.
