MUFY
Monash University Foundation Year
This program is delivered at Sunway College Kuala Lumpur and Sunway College Johor Bahru
ABOUT MONASH MALAYSIA

One of the country’s most respected universities, Monash University Malaysia was established in 1998 as Monash University’s global footprint in the Asian region. It is the Malaysian constituent of a premier research intensive Australian university which is ranked among the top 100 universities in the world and a member of Australia’s prestigious Group of Eight (Go8). As an independent institution, Monash University Malaysia is accorded a Setara Tier 5 rating for excellence and Self-Accreditation Status by the Malaysian Qualifications Agency (MQA), and all of its courses are accredited in Malaysia and Australia. Its faculty is a mix of locally and internationally recruited academics with extensive teaching, business and industry experience. Students representing almost 70 nationalities are currently enrolled at Monash Malaysia where they enjoy a quality academic experience.

YOUR ROAD TO MONASH STARTS HERE

The Monash University Foundation Year (MUFY) is a pathway that provides the academic bridge for students to progress successfully to undergraduate studies at Monash University. Just as Monash is a passport to a fulfilling career and a rewarding life, MUFY is the passport to a rich learning experience at Monash. Designed by Monash academics, the MUFY program prepares students for admission into a wide range of Monash University undergraduate degrees.
REASONS TO CHOOSE MUFY

PATHWAY TO A PRESTIGIOUS UNIVERSITY

MUFY is a direct pathway to Monash University, a member of Australia’s Group of Eight universities recognised for excellence in research, teaching and scholarship.

RECOGNITION IN AUSTRALIA AND BEYOND

The MUFY qualification is also recognised by other Australian universities, universities in New Zealand and a growing number of established universities in the UK. This recognition extends to the branch campuses of foreign universities in Malaysia as well as private universities in the country.

NON-DISCIPLINE SPECIFIC FOUNDATION PROGRAM

A discipline-specific foundation program such as a foundation in engineering prepares students specifically for undergraduate studies in engineering. On the other hand, a non-discipline specific program such as MUFY does not limit students’ options but offers them a broad pathway to any university course of their choice.

SEMESTERISED STUDY MODE

MUFY students complete half of a subject (Unit 1) in Semester One before undertaking the second half (Unit 2) in Semester Two. This way, students need not face the pressure of preparing for a single final examination at the end of the program.

FLEXIBILITY TO IMPROVE UNIVERSITY ENTRY SCORE

To improve their overall score, MUFY students can spend just one semester retaking some units. That means in order to achieve better results, there is no need to repeat the entire program which a non-semesterised pre-university program would require.

AVAILABILITY OF SCHOLARSHIPS

MUFY students studying at Sunway College can apply for a broad range of academic and extra-curricular scholarships made available to both domestic and international students. Similarly, Monash University offers scholarships to MUFY students who achieve excellent results.

“At Monash, students are encouraged to interact with their lecturers and tutors. I truly appreciate the openness and advice as it encourages me to ask questions whenever in doubt.”

KAVEENESH ROBERT RAJASHEKAR

MUFY Award of Excellence in Chemistry Unit 1 (2016)
Pursuing Bachelor of Medicine and Bachelor of Surgery (Honours) at the Jeffrey Cheah School of Medicine and Health Sciences (February 2017)
“Aside from the top notch education that I had received, there’s always something planned for the students in MUFY so it’s not all work and no play. I can’t sum it all up in a sentence, but MUFY has developed me to become a better person and I’d definitely recommend this program to other people.”

MOHD RAFIQUE RAMLEH
Bachelor of Business and Commerce (majoring in Banking & Finance and Management)
MUFY Valedictorian

INTAKES AND DURATION OF STUDY
Students should complete this full-time program in two semesters (standard) or three semesters (extended).

CALCULATING THE MUFY UNIVERSITY ENTRY SCORE
The MUFY university entry score is an average score that is stated over one hundred. It is calculated by adding up the individual score obtained from all eight units and dividing that total score by eight. Students who pass a ninth or tenth unit on their first attempt within two semesters are eligible for bonus points.

MODE OF STUDY AND ASSESSMENT
A student must pass a minimum of eight different units, including English, in order to complete the MUFY successfully. A minimum of six of the eight units must be derived from three completed subjects.

Standard Intake students will study four units in Semester 1 and four units in Semester 2. Standard Intake students are allowed to take on additional units limited to five per semester or ten in the duration of the program. Intensive Intake students will study three units in Semester 1 and five units in Semester 2.

Assessment comprises a mix of coursework (such as research projects, assignments, presentations, reports and class tests) and final examinations. The major component is the final examination which constitutes 30% – 65% of the total score depending on the unit(s) taken. Final examinations are conducted at the end of each semester.

ADMISSION REQUIREMENTS
Minimum five (5) credits in SPM or O-Level including a credit in English or IELTS 5.5 (writing not less than 5.5) or equivalent.

In jubilation ... winners of the Monash Arts Scholarship organised by the School of Arts and Social Sciences

MUFY is conducted within a wholesome pre-university education concept which nurtures academic excellence, self-development, leadership abilities and effective social skills. Students are highly encouraged to not only excel in their studies but to also participate in extracurricular activities that abound on campus. MUFY has hosted students from more than 40 countries and some of the more popular activities led by MUFY students include:

- MUFY Games
- MUFY “Sharity” Carnival
- MUFY Talent Quest
- Recreational and educational field trips
- Motivational workshops and camps
- Community projects

Student support services, such as academic counselling, are provided by the MUFY teaching and administrative staff. Students who need personal counselling can consult qualified counsellors from the Student Services Department.

ENRICHING EDUCATIONAL EXPERIENCES

“As one of the student pioneers in Monash’s pharmacy course, challenges in our studies are resolved through discussion amongst ourselves and helpful lecturers. With tutorials, role-play sessions and Professional Experience Placement program, students get to have a full study experience with their course which proved to be incredibly important for my growth to become a successful pharmacist.”

JEFFREY CHEAH ENTRANCE SCHOLARSHIP

Students who are enrolling into the MUFY program, and have achieved excellent results in the Sijil Pelajaran Malaysia (SPM), Cambridge O Level, or the Ontario Secondary School Certificate (OSSC), are entitled to receive the Jeffrey Cheah Entrance Scholarship. The quantum of Scholarship awarded varies from RM1,000 to a full scholarship, depending on individual’s results from these examinations.

Please contact the Sunway College Scholarships Unit (Student Services Department) at +603 7491 8622 for more information.
