# Monash Pharmacokinetics Seminar and Workshop 2023

## Mastering the Art of Pharmacokinetics for Pharmaceutical Industry and Research

**15 & 16 November 2023**

**9am - 5pm**

**Monash University Malaysia**

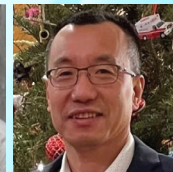

Who should Attend?  
**Researchers,  
pharmacists, clinicians,  
post-doctoral fellows,  
students**

Join us for a 2-day Pharmacokinetics Seminar with Workshop, featuring renowned industry speakers and researchers. The event aims to provide an immersive experience, enabling participants to:

1. Acquire comprehensive knowledge of pharmacokinetic principles and their application from an industry perspective.
2. Explore emerging trends and technologies in pharmacokinetic research and their implications in pharmaceutical sciences.
3. Foster collaboration and facilitate knowledge exchange among researchers, clinicians, and industry professionals in the field of pharmacokinetics.

**Dr Wang Zhe**  
Associate Director  
AstraZeneca

**Dr Su Jie**  
Director and Head of  
Formulation  
ReNagade Therapeutics

**Dr Ho Chi Lui**  
Professor  
Monash University Malaysia

**Dr Hwi-yeol Yun**  
Professor  
Chungnam National  
University

**Dr Surajit Das**  
Group Technical Operations  
Manager  
iNova Pharma

**Dr Tang Cheng Cai**  
Director of Clinical Pharmacology  
Modeling and Simulation  
Parexel International

**Dr Lin Hai-Shu**  
Associate Professor  
Shenzhen Technology  
University

**Dr Rajesh  
Sreedharan Nair**  
Lecturer  
Monash University Malaysia

**Dr How Chee Wun**  
Senior Lecturer  
Monash University Malaysia

**Dr Yeap Li Ling**  
Lecturer  
Monash University Malaysia

### Registration Fee

#### Seminar only

Early Bird : **Researcher RM500** **Student RM250**

Normal : **Researcher RM600** **Student RM300**

#### Both seminar and workshop

Early Bird : **Researcher RM800** **Student RM450**

Normal : **Researcher RM900** **Student RM500**

*Workshops are hands-on sessions and will be held on campus only*

#### MPS-CPD: 10 Credit Points

Early Bird registration **EXTENDED**  
Register now by **21st September 2023**  
Registration closes **31st October 2023**
