

Bachelor of Business and Commerce (B2026) Unit Schedule Monash University, Malaysia

This unit schedule outlines the major and minor offerings.
The units listed are only offered in the Malaysia campus and are subject to changes.
Version Date: 01/03/2024

The information below is a guide to your study progression:

Students are to complete 24 units (144 credit points) in total and must not exceed 24 units.

Course requirements:

In choosing your units, you must ensure that you complete no more than 10 units (60 credit points) at level 1 and at least six units (36 credit points) at level 3, including four units (24 credit points) at level 3 offered by the School of Business.

Part A. Business and commerce specified study (48 credit points)

You must complete seven units (42 credit points) and one of the Capstone experience unit (6 credit points).

Part B. Business listed major (48 credit points)

You must complete at least one major. Depending on the major chosen, you may have already studied one of the required units as part of your business-specified study. If so, you must complete an additional business unit to bring the combined business study to at least 96 credit points from the School of Business.

Important note: A major requires eight units with no more than two units (12 credit points) at level 1 and at least three units (18 credit points) at level 3.

Important note: Some units within some of the business areas may have prerequisites that require additional unit enrolment. Please bear this in mind when planning your major.

Important note: No more than 12 credit points can be credited towards two majors, or a major and a minor, within a course. The same credit points cannot be credited towards more than one minor.

Part C. Free elective study (48 credit points)

Electives can be chosen from within the Bachelor of Business and Commerce, including units to complete a second major. Enrolment in Faculty of Business and Economics units at campuses other than your campus of enrolment is subject to there being capacity after students from that campus have enrolled.

Electives can also be chosen from across the University, including to complete a major from another course if you have met the required prerequisites and there are no restrictions on enrolling in the units. You should also be aware of travel and timetabling limitations.

Please refer to Monash University Handbook (B2026 Bachelor of Business and Commerce). Ensure to view the correct version.
