

2nd International Conference in Pharmaceutics and Cosmetics (ICPCos 2025), 3-4 Dec 2025

Co-hosted by
School of Pharmacy, Monash University Malaysia and
Faculty of Pharmaceutical Sciences, Chulalongkorn University

The **2nd International Conference in Pharmaceutics and Cosmetics (ICPCos 2025)** is a premier platform for advancing science and innovation in both pharmaceutics and cosmetics. Held in the vibrant city of **Kuala Lumpur** at **Monash University Malaysia**, this conference brings together leading academics, researchers, and industry professionals to share cutting-edge research, foster collaborations, and explore the latest technological advancements. Kuala Lumpur, home to world-famous attractions such as the **Petronas Twin Towers** and **Sunway Lagoon Theme Park**, offers the perfect backdrop for this dynamic event, blending scientific excellence with cultural and leisure experiences.
