OTTAWA AT FORTY

8 DECEMBER 2026 | 2.30PM - 5.30PM
MONASH UNIVERSITY MALAYSIA (Auditorium 1)

Reflecting, Reimagining and Recommitting to Healthy Societies

The Ottawa Charter asked governments to build healthy societies, but said little about the interests that profit from unhealthy ones.

Forty years on, the Charter's principles have aged better than its politics. Health promotion can no longer afford to be polite about power.
