

Course progression map for October 2024 Intake commencing students

This progression map provides advice on the suitable sequencing of units and guidance on how to plan unit enrolment for each semester of study. It does not substitute for the list of required units as described in the course 'Requirements' section of the Handbook.

Bachelor of Medical Bioscience [Course code: S2008]

This outline is a guide only. The complete course requirements are specified in the University Handbook.

YEAR 1

October 2024	BIO1022 Life on Earth	CHM1051 Chemistry 1 advanced	SCI1020 Introduction to statistical reasoning	Free Elective
Sem 1, 2025	BIO1011 Blueprints for life	CHM1052 Chemistry 2 advanced	BTH1802 Fundamentals of biotechnology	Free Elective

YEAR 2

Sem 2, 2025	BTH2732 Recombinant DNA technology	BTH2752 Cellular metabolomics of macronutrients	PHY2820 Physiology of human health	ANT1800 Introduction to anatomy
Sem 1, 2026	BTH2741 Biochemistry and metabolism of biomolecules	BTH2830 Fundamentals of microbiology	PHY2810 Physiology of human body systems	SCI2010 Scientific practice and communication

YEAR 3

Sem 2, 2026	BTH3752 Molecular biology and biotechnology	BTH3722 Medical microbiology	HUP3820 Principles of pathology 2	IMM3802 Essentials of applied immunology
Summer Semester 2026/2027	MBS3800 Medical bioscience internship			
Sem 1, 2027	PHA3800 Fundamentals of toxicology	HUP3810 Principles of pathology 1	PHA3801 Principles of pharmacology	

Α	Foundation biomedical sciences and scientific practice
В	Human health
С	Internship
D	Free elective

CRICOS Provider Number: 00008C

While the information provided herein was correct at the time of viewing and/or printing, Monash University reserves the right to alter procedures, fees and regulations should the need arise. Students should carefully read all official correspondence, other sources of information for students and the official university notice boards to be aware of changes to the information contained herein. The inclusion in a publication of details of a course in no way creates an obligation on the part of the university to teach it in any given year, or to teach it in the manner described. The university reserves the right to discontinue or vary courses at any time without notice. Students should always check with the relevant faculty officers when planning their courses. Some courses and units are described which may alter or may not be offered due to insufficient enrolments or changes to teaching personnel.
