

MONASH MALAYSIA MEDICAL EDUCATION CONFERENCE (MMMEC) 2019

Fostering Work Readiness Among Medical Graduates

The Opening Ceremony will be officiated by
the Deputy Director-General of Health (Medical), Ministry of Health Malaysia
YBhg. Dato' Dr. Haji Azman Bin Abu Bakar

Date: 25 & 26 January 2019

Venue: Monash University Malaysia

12 CPD POINTS

Program Overview

With 32 medical institutions in Malaysia and 3,000 medical students graduating annually, there is a strong need to ensure that medical graduates are work ready by the time they leave their alma mater. Work readiness is not just equipping students with the tools of trade but also involves appropriate assessment to ensure that they can successfully assimilate and integrate into the clinical workplace.

This one and a half day conference targets work readiness among medical students with focus on professionalism issues, patient safety, student resilience and mental wellbeing. It is delivered by experienced local and international academics through a series of keynote lectures, plenaries, interactive forum and workshops.

YBhg. Dato' Dr. Haji Azman Bin Abu Bakar, the Deputy Director-General of Health (Medical), Ministry of Health Malaysia will be officiating the Opening Ceremony and also participating as a panellist at the "Forum on Work Readiness Among Medical Graduates".

Poster Sessions

Poster sessions will provide participants with an opportunity to share their experience and research in work readiness, and also to win the best poster award (three awards available).

Objectives

This conference aims to provide hands-on experience in key topics of work readiness. Participants will gain valuable information on issues related to professionalism and medical student resilience and wellbeing, in addition to having a better appreciation of patient safety issues and the use of technology to assess work readiness. The poster sessions will provide an excellent avenue to showcase and promote collaboration on work readiness.

Target Audience

Senior management in health and medical settings; clinical, healthcare and basic sciences educators; clinicians; academics involved in curriculum design/implementation of assessment processes; researchers in the field of work readiness; medical students.

Cash Awards & Travel Grants

- **Three MMMEC 2019 Best Poster Awards – Cash prizes for best posters**
- **Three 'MMMEC 2019 Travel Grants' (RM500 each) available for application by delegates** (selected competitively based on confirmed acceptance of poster; delegate must be less than 40 years of age; must indicate intention to apply for MMMEC 2019 Travel Grant by email to Ms Devi Arunasalam or Ms See Wai Mun.
