

# School of Arts and Social Sciences Diploma of Higher Education Studies (A0503)

## Unit Offering Lists (Year: 2020)

### Important notes:

- Students must refer to [Monash student handbook](#) as a guidance for the course structure.
- You must meet the requirements of your course as detailed in the Handbook edition for the year in which you started your course. For example: The course and areas of study details provided in the current edition of the Handbook are for those students who commence their course in 2020, while a student who began their studies prior to 2020 should go to the [archived Handbook edition](#) for the details of the units they are required to do, and rules of the course that applied to them.
- The course requires 48 points comprising 12 points (**two units**) of foundation knowledge (**Part A**) for successful tertiary study and 36 points (**six units**) of discipline knowledge (**Part B**) in your chosen stream.
- Please email Arts Course Management Office (CMO): [mum.sasscmo@monash.edu](mailto:mum.sasscmo@monash.edu), if you need further advice regarding your course structure requirements.
