Career Services can link you with Monash students as you seek to develop and build brilliant talents in your organisation.

With over 8000 students across its seven schools (Arts & Social Sciences, Business, Engineering, Information Technology, Pharmacy, Psychology and Science), we will assist to make your search for talented Monash students easier.

**Academic Timelines**
We follow the Australian academic calendar with two semesters in a calendar year starting early March and end July.

**Internships**
Internships are conducted as a compulsory unit for selected courses and on a voluntary basis for others. Students undertake internships during the year-end break that runs from December to February (three months).

**Graduate Employment**
Student are ready to join the workplace by July and January.

**Research Collaboration**
Work closely with our Schools for your research needs. We can connect you with the relevant contacts at Monash.

**Employ International Students**
International students provide employers with diversity in the workplace and the opportunity to compete in a globalised world.

**CONNECT WITH OUR STUDENTS ON CAMPUS**

**Monash Career and Internship Fair**
Promote your opportunities and organisation to our students on campus.

**Employability Workshops**
Engage and provide insights directly to future talents through workshops on a range of topics.

**'How to' Workshops**
A series of employer workshops on the essentials of preparing students for the workforce.

**The Management Trainee Series**
Introduce talents to your organisation and Graduate/Management Trainee program.

**Young Graduate Series**
Introduce young Monash alumni with your organisation to share their journey, experience and vital topics related to navigating their professional life in the industry through an online video sharing.

**Graduate Bootcamp**
Groom Monash talents and develop their abilities as they transition to young professionals.

**Campus Interview**
Conduct campus interviews for mass hiring.
