

PhD Position (By Research)

Project Areas:

Sustainable Work, Empowerment, Artificial Intelligence, Action Research, Design Science and Older Women

Lead Supervisors:

1. Professor Teh Pei Lee, School of Business
2. Associate Professor Manjeevan Singh Seera, School of Business
3. Dr Ewilly Liew Jie Ying, School of Business
4. Dr Ewe Soo Yeong, School of Business
5. Dr Stephanie Cheah, School of Business

Position Details:

This PhD appointment is based on a **full-time** mode of study. We are seeking a PhD student with a background in management, artificial intelligence, action research or related disciplines to work on a project (see project description below). The scholarship is offered on a competitive basis via ranking of applicant's academic merit. The scholarship covers **full tuition fees** (for PhD) and provisional arrangements will be made towards a **monthly stipend** (for PhD) for a **three-year funded project (2021-2023)**.

Project Description:

This project will focus on the development of new methods for the understanding and simulation of technology adoption among older women in rural areas in Malaysia. This study will consider the artificial intelligence, action research, design science approaches and other predictors of behaviour and interaction. We envisage that there will be a substantial level of engagement with one or more external organisations who have specific interests in the research and are able to provide data to facilitate these investigations.

Responsibilities:

For PhD student, complete a PhD project in the specialized research area under the supervision of designated supervisors, within the expected time frame.

Selection criteria for Doctor of Philosophy (PhD):

1. Proficiency in English, Chinese and Bahasa Malaysia languages.
2. Demonstrates outstanding qualities of academic performance, research ability/potential,

communication and interpersonal skills.
3. Meets the entry requirement of PhD at School of Business, Monash University Malaysia (see: <https://www.monash.edu.my/study/postgraduate-and-research/business/phd>).

Qualified candidates who are interested in applying for the scholarship should submit an **academic CV with cover letter** to **the following**. Only **short-listed candidates** will be notified.

1. Professor Teh Pei Lee at teh.pei.lee@monash.edu
2. Associate Professor Manjeevan Singh Seera at manjeevansingh.seera@monash.edu
3. Dr Ewe Soo Yeong at ewe.sooyeong@monash.edu
