

INTERNATIONAL SYMPOSIUM ON AUTISM 2017: CELEBRATING BRIMS 10TH YEAR ANNIVERSARY

Date: 14 October 2017

Venue: Plenary Theatre, Monash University Malaysia

Organisers: Professor Ishwar Parhar and Dr Takayoshi Ubuka (BRIMS)

Autism is a neurodevelopmental disorder, characterised by deficits in social interaction and restricted, repetitive patterns of behaviour. The cause of autism is not understood, even if a variety of genetic and environmental risk factors have been proposed. This symposium will include national and international symposiasts from Asia and Oceania region in an attempt to understand the cause of autism and discuss its effective treatment methods. Researchers who are in the fields of education, psychology, psychiatry, paediatrics, neuroscience, and general biomedical sciences can gain insight into the most advanced therapeutic, clinical and basic knowledge of autism.

Invited speakers

Prof Valsamma Eapen

The University of New South Wales
Sydney, Australia

Prof Masaru Mimura

Keio University School of Medicine, Japan

Prof Susan Shur-Fen Gau
