Diploma of Higher Education Studies

Intakes
February, July, October

Duration of Study
Full-time (one year)

The Diploma of Higher Education Studies (DHES) program is a pathway to selected undergraduate degrees offered at Monash University Malaysia. Despite its name, this program does not offer studies in Education nor Higher Education.

We call the DHES a pathway program, particularly for those whose pre-university/Year 12/ equivalent scores fall below the entry requirements for selected courses. As a DHES student, you will enrol in six compulsory first-year units in your elected stream in addition to two first-year core units in academic literacies development. These streams provide a direct pathway into the second year of the Monash degrees in Arts, Business, Computer Science or Science.

DHES Strengths
- Pathway to undergraduate degrees in Arts, Business, Computer Science and Science
- Develop academic literacy skills such as strategic and critical reading in higher education, sound academic writing competencies and insight into the world of academic research
- Mentoring to ensure students’ successful transition to an undergraduate Bachelor’s degree program at Monash University Malaysia
- Develop lifelong learning skills
