| **Step 1**  
Check if you are allowed to enter Malaysia  
The Government of Malaysia has recently made an announcement that new international students will be allowed entry into Malaysia for the purposes of pursuing their studies. Please be informed that holders of dependent passes are currently not allowed to enter Malaysia.  
Entry restrictions on foreign travellers from the United Kingdom remain in force. The entry restrictions include citizens/holders of long-term passes of the United Kingdom, who are residing in or travelling from those countries. |
| **Step 2**  
Declaration of Accommodation and Declaration for Commencement of Online Classes  
Start looking for your accommodation in Malaysia. You may refer to this link.  
Once you have secured your accommodation in Malaysia, please submit the details here.  
**Note:** Education institutions must provide the “Declaration of Accommodation” and “Declaration for Commencement of Online Classes” for all New International students prior to the application being submitted to Immigration Department of Malaysia for the Visa Approval Letter (VAL). Your submitted accommodation details in Malaysia must be accurate. |
| **Step 3**

Once approved, you will automatically receive the Travel Authorisation through the EMGS system. You may check your status in Track My Application. |
| **Step 4**  
Purchase your flight ticket to Malaysia  
When booking your flight ticket to Malaysia, please remember that international arrivals are only permitted at KLIA and KLIA 2. |
| **Step 5**  
Complete and sign a Letter of Undertaking and Indemnity (LoU)  
The template for the LoU is available here (please refer to pages 9-12). |
Step 6

Submit the completed LoU via email to the Malaysian diplomatic mission that is nearest to you. Please also attach your VAL, EMGS Travel Authorisation letter, completed LoU, travel documents (flight tickets) and identification documents (copy of your passport) to support your application.

The Malaysian diplomatic mission will issue you a Travel Notice. This process is estimated to take three (3) working days but we advise for you to apply earlier.

Step 7
Check if you require a Single Entry Visa (SEV) before travelling to Malaysia

Please check here if your country is listed as one of those which may require a SEV prior to entering Malaysia.

You must check with the Malaysian diplomatic mission closest to you if you require a SEV. If you require a SEV, you may apply for this at the same time as the Travel Notice.
