Variable Name: q7Ladder

Variable Label: Q7 Think of this ladder as representing where people stand in YOUR COUNTRY. At the TOP of the ladder are the people who are the best off - those who have the most money, the highest education, and the most respected jobs. At the BOTTOM are the people who are worst off - those who have the least money, lowest education, and the least respected jobs, or unemployed. The higher you are up on this ladder, the closer you are to the people at the very top; the lower you are, the closer you are to people at the very bottom. Where would you place yourself on this ladder? Please choose the rung according to where you think you stand in your life relative to other people in your country.
