

Global Intercampus Program

By SOB EMO

What is CIP?

Exchange program to any of
Monash Australia's campus of
student's choice.

CIP Update for Sem 2, 2022

Australian borders are open and Australian High Commission is accepting student visa applications. However, we are to consider the ongoing uncertainties and **bearing in mind that Australian lockdowns and 100% online classes remain a real possibility.**

AM I ELIGIBLE?

To be eligible to participate in the Global Intercampus Program, you must have:

- **completed at least 18 credit points** of your course at Monash at the time of application
- achieved a minimum **Weighted Average Mark (WAM) of 60% at the time of application**
- an **active enrolment** in a Monash undergraduate or postgraduate coursework degree at any Monash campus
- selected units that will ensure you are **doing a full-time load** of on-campus units (18 or 24 credit points)

ADDITIONAL BUSINESS SCHOOL REQUIREMENTS

CAULFIELD

Achieved **minimum WAM 60%** and completed **Year 12 Mathematics**

CLAYTON

Achieved **minimum WAM 70%** and completed **Year 12 Higher Mathematics**

OTHER FACTORS TO CONSIDER

- You must have **only one** active semester-length overseas study application (i.e. International Exchange or Global Intercampus Program) with Monash for the same study period.
- If you are in receipt of a scholarship from an external organisation, you may need to inform your sponsor and **obtain permission** to participate in this program.
- If, after receiving an offer from Monash University Australia, you change your mind about participating in this program and withdraw from the program, the withdrawal policy will be applied. This means you will only be allowed to apply again for the GIP in the semester **after** the semester that you would be studying in Australia if you had not withdrawn.

RECOMMENDED TO APPLY

Students for whom Sem 2 2022 is the **final chance to study abroad.**

Considering the uncertainty of the pandemic situation, other students are highly encouraged to wait for the next GIP round (Sem 1, 2023 onwards) **if you think that your study plan will work.**

Students planning to go for interuniversity exchange in future are highly encouraged to **keep the limited elective unit space for the interuniversity exchange instead.**

HOW TO APPLY?

MONASH ABROAD PORTAL

Application is now opened on [GIP website](#).

Application Deadlines

	Semester	Completed online application via Monash Abroad Portal (MAP)
Global Intercampus	One	3 October
	Two	7 April

Deadlines for submitting the online applications via Monash Abroad Portal (MAP) are **11:59PM (Australian time) or 8.59PM (Malaysia time) of the given date**. We usually experience a high volume of applications towards the close of applications; thus **you are advised to submit your applications early. No time extensions will be considered.**

HOW TO PLAN YOUR STUDIES

01 COURSE GUIDE

Refer to the [Course Map Planning Guide](#) and [latest Unit Schedule](#) for the list of units you need to complete for your major/minor/degree.

03 COURSE MAP

Use the [Course Map Tool](#) or [DIY Course Map](#) (under Course forms) to plan your units for Sem 2, 2022 – in such a way that the units will work whether or not you go for GIP (risk management).

02 UNIT MATCH

Check in the [handbook](#) for matching units in MUA, so you can plan the units you need to take (refer to the next slide for how to match units).

04 SMART SHEET

Fill in the MUA unit codes accordingly in your Smartsheet when filling in your GIP application. The MUM unit codes listed in your course map for Sem 2, 2022 must match the MUA unit codes you submit in your application.

HOW TO MATCH UNITS

Unit Handbook

Refer to the MUM unit handbook for the units that you plan to take for GIP.

Requisites

Look at the requisites tab.

Prohibitions

MUA unit codes listed under Prohibitions is equivalent to MUM unit.

Important note:

Please ensure that you are looking at the correct handbook version (version 2022) and check that the semester offering for the units you need to take in MUA is in Sem 2, 2022.

For free electives, students do not necessarily have to find matching units. Students may enrol for any unit under any faculty as long as the prerequisites is met. Please indicate the unit as elective unit in your course map.

Important Points to Note

1. **Only use the Course Map Tool or DIY course map** to design your study plan, not MonPlan.
2. When planning for the exchange **please ensure that you are meeting the degree requirement of your current program** and ensure that your unit selection meets these requirements
1. On the form(s) **you must rank your units in terms of preference** (starting at 1 for most preferred). Select at least 6 units.
2. Ensure that you have **completed any prerequisites for units selected**

Important Points to Note

1. Exchange is **subject to approval**.
2. Student must enrol to a **minimum of 18 and a maximum of 24 credit points** for the exchange program.
3. **To check and meet the application deadlines** indicated in the Monash Abroad application webpage.
4. **Students are not required to send your course map to the Education Management Office for verification before uploading to MAPS portal.**
5. To the best of your ability, plan your Semester 2 units in a way that will allow you to participate in the GIP.
6. **Ensure that the units selected are offered during the exchange program.**
7. **The units students will take on exchange must count toward credit requirements in your program of studies Intercampus exchange.** You must not take less or more credit than are required for the current degree you are pursuing.

After arriving at the host campus, **students are not permitted to change the approved unit selection** unless there are extenuating circumstances

Important Points to Note

1. **Accountancy major students** applying for ACCA exemptions are highly advised to complete all Accounting units in Malaysia campus to avoid any issues with the exemption granted.
2. **Capstone units:** Students are not allowed to take Capstone units in MUA as there are no matching units in MUA. If you are in your final year and has not enrolled for any Capstone unit, you may consider enrolling in BEW3110 (Work Experience Program) in Summer A semester upon returning from the GIP.

OTHER FAQs

Q: Will EMO check my course map for me?

- A: No, **EMO will not check student's course map prior to submitting the application.** Students are responsible to ensure that their course maps are on track to meet their respective degree requirements based on the Monash handbook.

Q: I have questions about the visa requirements, general requirements, applications process, logistics, fees and others. Can I ask EMO?

- A: No, you may only consult EMO on matters pertaining to your study plans for GIP, but for other matters you may **contact Monash Abroad directly via [Ask Mira](#).** Most of the answers are also available on the [GIP page](#) on **Monash Abroad website.**

Q: What if Australia goes back to lockdown before I can go for GIP?

- A: **You need to seek advise with Monash Abroad via [Ask Mira](#) on this matter.** Nevertheless, this is why you should plan your studies in such a way that it will work in MUM in the event that you could not proceed with GIP.

OTHER FAQs

Q: Can I go for GIP in the final semester?

- A: Yes, you can go for GIP in your final semester, with the condition that you still have a minimum of 18-24 credit points left and the units you are taking for GIP are matching to the units you need to enrol in Monash to complete your degree requirements.

Q: Can I go for two semesters for GIP?

- A: No, GIP is only available for one semester.

Q: Can I take one unit in one MUA campus, and another unit in another MUA campus during the GIP?

- A: No, you can only choose to study in one MUA campus at one time.

OTHER FAQs

Q: Can I apply for both interuniversity exchange and GIP in the same semester?

- A: No, you can only have one active application on Monash Abroad Portal at one time.

Q: Can I apply for GIP now and apply for interuniversity exchange in the following semester, or vice versa?

- A: Yes, you can, with the condition that you have sufficient space and units to enrol for these programmes to meet your degree requirements. Please note that it is student's responsibility to ensure that you meet your degree requirements and that Monash will not be responsible for any errors or omissions on your end if you fail to plan your studies correctly following the degree requirements. Students planning to go for interuniversity exchange in future are highly encouraged to **keep the limited elective unit space for the interuniversity exchange.**
