### The information below is a guide to your study progression

Students to complete 144 credit points over a period of 3 years (full-time) and must not exceed 24 units (24 units X 6cpts is equivalent to 144 credit points)

Students may complete a maximum of ten (10) first-year level units (eg: ACW1XXX) (60 credit points). This includes the exempted first year level units.

Students must complete a minimum of six (6) third- year level units (eg:ACW3XXX) (36 credit points) of which at least four (24 credit points) are from the Bachelor of Business and Commerce unit schedule.

You must complete at least one major in the program. A major requires eight units from the list of approved majors. Not more than two units (12 credit points) at level 1 can be credited to the major and at least three units (18 credit points) at level 3 credited to the major.

Students must complete compulsory six (6) core business and commerce units and 1 capstone portfolio

In addition to specific unit prerequisites, a third-year level unit require successful completion of two (2) second-year level units and second-year level units require successful completion of three (3) first-year level units.

The maximum time limit for completions of the program is 8 years from initial enrolment. Periods granted as intermission are counted as part of the total time limit.

Please read the Monash online handbook to understand the units before you enrol. The link to Monash University Handbook is: <https://handbook.monash.edu/>
