9,670 graduates from Monash University Malaysia (as at 24 April 2015)
Established in 1998, Monash University Malaysia is one of Malaysia’s most respected universities. The global footprint for Monash University in the Asian region, the university carries the distinction of being the Malaysian constituent of a premier research intensive Australian university ranked among the top 100 universities in the world, and a member of Australia’s prestigious Group of Eight (Go8). From humble beginnings, Monash Malaysia has grown in stature, and is now recognised as a leader in the international higher education sector in Malaysia.

As an independent, self-accrediting institution of higher education, the university attracts students not just from Malaysia, but from all over the world. More than 6,000 students representing 72 nationalities are currently enrolled at Monash Malaysia, and enjoy a quality academic experience.

Here are 10 reasons why you should choose Monash University Malaysia as your tertiary destination.

**Internationally recognised quality Australian Education.**
Monash University Malaysia degrees are also recognised by the Malaysian Ministry of Education and the Malaysian Qualifications Agency, and quality assured by Monash University Australia and the Australian Tertiary Education Quality and Standards Agency (TEQSA).

**Simplified admissions, payment and visa procedures, and the availability of scholarships for academically meritorious students.**

**Value for money**
– tuition and living expenses significantly less than studying and living in Australia, the US or the UK.

**Excellent employment and career prospects**
upon completion of studies

**Multicultural student population**
providing support and cultural networks in a dynamic, cosmopolitan, moderate, Muslim environment

**Lifelong worldwide connections through a global alumni network.**

**Opportunities to transfer**
to Monash University Australia if desired, or to receive a Monash University Australia degree after completing a program at Monash University Malaysia

**Safe, secure and inexpensive on-campus accommodation,**
and a lifestyle offering a range of extra-curricular, sporting and recreational opportunities

**Access to high quality research-active academic staff**
with strong industry connections, and state-of-the-art teaching and research facilities

**Proximity**
to countries in the Indian sub-continent and Asian regions

Get a glimpse of the Monash University Malaysia campus online at http://www.monash.edu.my/Monash-Malaysia
Monash Malaysia is located in the bustling township of Bandar Sunway, just 20 kilometres from the capital city of Kuala Lumpur. The country consists of a culturally diverse people that is rich in traditional and modern influences, reflected in its many languages, religions and food - all of which are easily found in and around Bandar Sunway. A selection of halal food are available on campus and more food options are available within walking distance from the University.

The University is a gated and guarded campus, and our trained security personnel takes serious concern in ensuring a healthy, safe and positive learning environment on campus. This assures you of a peace of mind as you strive to perform your best in your education.

Your academic experience will be supported by access to over 100,000 items offered in the Library and Learning Commons, including books, journals, and audio-visual materials. As a Monash student, you will also have access to Monash University in Australia’s comprehensive online library resources, including more than 140,000 electronic journals, 660,000 electronic books, and 1,300 networked electronic databases.

Monash Malaysia students are entitled to choose from over 50 clubs and societies to enrich the university experience. From sports to social, career to cultural, the Malaysia campus provides avenues for students to explore interests beyond the classroom. Visit musa.monash.edu.my/Clubs-and-Societies/Clubs-Listing.html for the latest list of Clubs and Societies.
When you graduate with a Monash degree, you will join a global community of more than 290,000 alumni around the world. Employment and career development activities are also held throughout the year to help students and graduates reach their career goals.

What will your Monash day be like? Watch the video here: http://www.monash.edu.my/MonashCampusLife
Pathways to Monash University Malaysia

A place at Monash University Malaysia may be closer than you think. You can start your journey to Monash from age 17.

By successfully completing a Monash University Foundation Year, Diploma or English language pathway you are guaranteed a place at the University.

For more information on exceptions, visit http://www.monash.edu.my/study/entry-requirements/age.

### Year 11 Qualification
(SPM / O Level / SMA 2 / equivalent)

- Monash University Foundation Year (MUFY)**

### Year 12 Qualification
(A Level / STPM / UEC / Australian Matriculation / Canadian Year 12 / equivalent)

- Diploma of Higher Education Studies
- or
- Monash College Diploma Part 2
(Available in Sri Lanka, China, Singapore and Indonesia)

### Monash English Bridging

If you have missed out on a place at Monash University Malaysia because of your English language score, Monash English Bridging (MEB) may offer you a way to your chosen degree course at Monash.

Students who successfully complete the MEB will gain automatic entry to Monash schools. There is no need to re-sit the IELTS or any other English test.

Another advantage of doing the MEB course is that you will be trained to do all the main tasks that university students need to do, such as academic reading, writing, speaking, listening, note-taking and research. In MEB, not only will you be improving your English language skills, but also you will be improving your study skills for successful degree studies at Monash.

MEB provides an ideal way for students to bridge the gap between school education and the many demands of a university education. The MEB course has been preparing both Malaysian and International students for study at Monash University Malaysia since 2005.

For more information, visit http://www.sass.monash.edu.my/future/meb

### Monash University Foundation Year

Regarded as “Year Zero” of Monash Tertiary Education, Monash University Foundation Year (MUFY) is the academic bridge for students to transition successfully into undergraduate studies at Monash University. Equivalent to Australian Year 12, this course provides flexible length of study through modular teaching and learning. A good number of MUFY graduates are awarded Monash University Entrance Scholarships to pursue degrees at Monash University.

For more information, visit http://www.monash.edu.my/study/undergraduate/mufy

### Diploma of Higher Education Studies

This one-year program is an alternative pathway to a Monash degree. It allows you to study first-year units in four of our schools – Arts and Social Sciences, Business, IT and Science – and qualify for the second year of a chosen degree.

You have eight degrees to choose from across the four participating schools. Whichever you choose, you need to study six units related to your degree and two compulsory study-skills units, Learning in Higher Education and Academic Literacies, in your first year.

For more information, visit http://www.monash.edu.my/study/undergraduate/diploma-higher-education-studies
Transfer to Australia

Monash University Malaysia offers students the opportunity to incorporate further international study within their courses by transferring to Monash University Australia.

This unique feature offers students the eligibility to join the larger network of over 50,000 students at one of the leading universities in the world. Students commencing in a course at Monash University Malaysia may transfer to Monash University Australia with credit, subject to the availability of corresponding courses and subjects. Past students who have taken advantage of this option highly recommend it, as it provides a significant self-development opportunity.

Given the time usually required for the transfer process to be completed and to obtain a student visa for Australia, students are encouraged to begin making arrangements for transfer at least six months prior to the intended commencement date at Monash University Australia.

Students interested in transferring should contact staff in the Future Students Office at Monash University Malaysia for details regarding the transfer process.

Study abroad opportunities

All Monash University Malaysia students may apply to study abroad through its intercampus exchange program, international exchange program and short-term study programs.

With over 150 partner universities in more than 31 countries, students have the option to study abroad for one or two semesters at our partner universities, or Monash campuses in Australia and South Africa.

Monash University Malaysia students continue to pay their Malaysian tuition fee during their exchange program abroad. All other expenses (such as visa fees, travel and accommodation costs) are borne by the students.

Certain eligibility criteria apply. Monash University Malaysia students interested in participating in the Exchange Program should contact staff in the Monash Abroad Office at Monash University Malaysia for details.

For more information on Study Abroad, visit http://www.monash.edu.my/studyabroad
Planning your stay

Accommodation

There are hostels and apartments available for rent in the campus vicinity to suit different budgets and needs.

Sunway Monash Residence
This 21-storey student apartment featuring 2,114 bedrooms is located within the campus grounds. All rooms are equipped with beds, study tables and chairs, wardrobes, mini fridge, tempered glass notice board, and Wifi connection.

Sun-U Residence
With a capacity for 1,664 students, each of the 236 condominium units has 4 bedrooms, 2 bathrooms plus a living and pantry area. The units are equipped with single beds, mattresses, study tables and chairs, wardrobes, hot shower heaters, a refrigerator, drinking water dispenser (hot and room temperature), and Wifi connection.

Sun-U Apartment
Just a 10-minute walk from the campus are another 151 residential units located in this 5-storey walk-up apartment. With a capacity of over 880 students, all apartment units are equipped with a shower heater, a refrigerator plus living and pantry areas. Bedrooms are supplied with beds, study tables and chairs, wardrobes, and Wifi connection.

Budgeting

Malaysia is an exciting and affordable place to live. On a reasonable budget, you can cover your living and entertainment costs and have money spare to travel.

Actual costs will vary according to location and lifestyle. Here is a rough guide to help you budget:

<table>
<thead>
<tr>
<th>Item</th>
<th>Cost (RM)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Street-stall food</td>
<td>6 – 12</td>
</tr>
<tr>
<td>Fast food</td>
<td>6 – 25</td>
</tr>
<tr>
<td>Restaurant</td>
<td>15 – 50</td>
</tr>
<tr>
<td>Clothing</td>
<td>From 30</td>
</tr>
<tr>
<td>Groceries</td>
<td>30 – 80</td>
</tr>
<tr>
<td>Entertainment (movie, concert, sport event)</td>
<td>From 12</td>
</tr>
<tr>
<td>Taxi</td>
<td>3.00 for first 1km, then 0.87 per km</td>
</tr>
</tbody>
</table>

Please note that current labour laws of Malaysia do not permit international students take up paid employment in any capacity. International students who graduate after completing undergraduate or postgraduate studies may apply for an Employment Pass (Category II) visa to remain and work in Malaysia for a period of up to two years. Further information is available at www.talentcorp.com.my

**Scholarships and Financial Assistance**

Monash Malaysia offers a range of meritous scholarships and financial assistance to deserving students. Ask our representatives for a brochure or visit [www.monash.edu.my/study/scholarships-and-financial-assistance](http://www.monash.edu.my/study/scholarships-and-financial-assistance) to receive more information.
Monash University Malaysia has established six research platforms which focus on addressing the challenges faced specifically within this country, the region and internationally.

These research platforms are:

- Advanced Engineering
- Brain Research Institute Monash Sunway (BRIMS)
- Halal Ecosystem
- Social & Economic Transformation in Asia (SETA)
- South-East Asia Community Observatory (SEACO)
- Tropical Medicine & Biology

An internationally recognised leader in neuroscience research, BRIMS promotes innovation and research in medicinal and aromatic plants (including local plants) to be used in the treatment of neurological disorders and diseases, such as depression and addiction. It also collaborates with the International Brain Research Organisation (IBRO) to organise seminars and training programs for neuroscientists in the region.

Tropical Medicine & Biology explores research areas relating to human health, in the area of genomics. This enables researchers to better understand and manage key natural resources and healthcare services in the region more effectively.

SEACO is driven to collect salient and high-quality data to gain insights into the factors that affect population health. Its areas of research include clinical, public health and biomedical sciences, social sciences, economics, education, and environmental sciences.

SETA looks at how society can develop sustainability and grapple with both the positive and negative effects of changes happening within the region due to industrial and economic developments.

As one of the leaders in the Islamic world, Malaysia is also a frontrunner in Halal research, making substantial contribution to the global Muslim population. The Monash Halal Ecosystem platform is focused on examining ways the halal industries remain competitive globally while still adhering to Islamic principles.

In line with new technological developments, Advanced Engineering research at Monash Malaysia focuses primarily on solid-state lighting and organic electronics. It also examines the socioeconomic impact of technology and its application which will be beneficial to Malaysia’s biggest industries – the agriculture and manufacturing sectors.

Monash University Malaysia offers programs of different disciplines at the Higher Degrees by Research level, providing multidimensional views leading to the ability to provide holistic solutions to challenging issues that impact the region and developing countries.

To contribute to the growth and development of the country, state-of-the-art facilities such as the Nano-Analytical Lab, High Performance Computing, Genomics & Proteomics labs, Neuroimaging Lab, Neurobusiness Lab and Simulated Trading Lab among others, are made available at Monash Malaysia to research students as well as university partners.

Monash offers higher degree by research programs (Masters by research and PhD) in the following areas:

- Arts and Social Sciences
- Business
- Engineering
- Information Technology
- Medicine and Health Sciences
- Science

Jeffrey Cheah School of Medicine and Health Sciences

Bachelor of Medicine and Bachelor of Surgery (Honours) 5 years March Malaysian Student RM77,000 (Per year) International Student RM106,700 (Per year) English (Monash’s minimum English language requirements apply) A career as a psychologist requires further study Forecast results are not accepted

Bachelor of Medical Science (Honours) 1 year February Malaysian Student RM40,280 (Per year) International Student RM44,308 (Per year)
### Prerequisites

Chemistry, Biology and a third subject (Physics or Maths) at Year 12 equivalent, with excellent results.

All applicants must complete the ISAT and be available for interviews if selected [www.acer.edu.au/isat](http://www.acer.edu.au/isat). Forecast results are not accepted.

Applicants must be proficient in English. This can be demonstrated through one of the following:

- Studying English at Year 12 or equivalent
- A minimum ‘B’ in 1119 English
- An overall score of 7.0 or greater with no individual band less than 6.5 achieved in IELTS
- TOEFL Internet Based, an overall score of 94 or greater, 24 in writing, 19 in reading & not less than 20 in listening and speaking
- An overall score of 6.5 or above with no communication skills lower than 5.8 in Pearson Test of English (PTE)
- Grade ‘B’ in one of the following IGCSE subjects: Literature (English)
- Grade ‘A’ in IGCSE English as a Second Language
- Grade ‘B’ in one of the following GCE O Level subjects: English Language or Literature in English
- Grade ‘B’ in one of the following GCE AS Level subjects: General Paper, English Language or Language and Literature in English
- Grade ‘D’ in one of the following GCE A Level subjects: English Language or Literature in English

If an applicant has more than one English result within the last two years, the most recent will be considered for admission.

Monash English Bridging is not accepted for admission into this program.

### Applicants must possess a bachelor’s degree and a major sequence in psychology accredited by the Australian Psychology Accreditation Council (APAC), or qualification assessed as equivalent by the APAC. Ordinarily students would have completed course 3863 Bachelor of Psychological Science and Business or equivalent.

Admission to the honours year is determined solely by academic merit. The minimum requirement is an average grade of 70 per cent in core psychology units at the third year level, however in practice the cut-off has been in the 75 to 80 per cent range over the last five years. In addition, the applicant must demonstrate a suitable background in research methods. Because of limitations in resources and availability of supervision, it may be necessary to limit entry.

This course is only available to MBBS students. Students must have successfully completed:

- 2 or more years of the undergraduate MBBS at Monash University
- 1 or more years of the graduate MBBS at Monash University
- 2 or more years of a MBBS from another institution deemed by the Faculty of Medicine, Nursing and Health Sciences as equivalent

*Entry requirements are subject to change. Please refer to www.monash.edu.my for the most current information.

**The undergraduate entry requirements published in this brochure are for students who commence the MUFY program in 2015/2016.**
**Prerequisites**

Chemistry (Australian Year 12 equivalent), Mathematics (Australian Higher Year 12 equivalent), and Biology (Australian Year 12 equivalent). Forecast results are not accepted.

Applicants must be proficient in English. This can be demonstrated through one of the following:

- Studying English at Year 12 Higher Level or equivalent
- A minimum ‘B’ in 1119 English
- An overall score of 7.0 or greater with no individual band less than 6.5 achieved in IELTS
- A total score of 94 or greater with 20 in Listening, 24 in Reading and 20 in Speaking achieved in an Internet based TOEFL
- An overall score of 65 with no Communicative Skills lower than 58 achieved in PTE
- A minimum B in GCE O Level (English Language or Literature in English)

IGCSE

- A minimum B in Literature (English) OR English Literature (India only) OR First Language English 0522; OR
- Grade A in English as a Second Language

If an applicant has more than one result within the last two years, only the most recent demonstration of English proficiency will be considered for admission.

Applicants must also meet minimum entry requirements set by the Pharmacy Board of Malaysia. Please visit [www.pharmacy.gov.my](http://www.pharmacy.gov.my) for information.

---

**Requirements**

For admission into Science Honours course, students must complete the requirement for the Bachelor of Science at Monash University or an equivalent degree and obtained a distinction grade average (70%) or above in 24 points of studies in relevant units at level three and meet the normal Monash University English language requirements for undergraduate students.

*Entry requirements are subject to change. Please refer to www.monash.edu.my for the most current information.*
Entry Requirements

The minimum requirements for entry is ONE of the following:

- A Bachelor degree with at least a credit average in the final year
- A Bachelor’s pass degree with demonstrable professional experience (a minimum of two years) at management level in a relevant area (these applicants will need to supply a CV, a 1,000-word statement and the names of two professional referees)
- Completion of a Graduate Diploma with credit (or above) average. Those with an Honours degree or a graduate diploma in a relevant area can apply for an advanced entry point

- A four year Australian or New Zealand bachelor’s degree with an overall result of upper H2B (Second Class Honours Division B, mark of 65-69) or above (normally with a research component in the fourth year); or
- An Australian or New Zealand master’s preliminary qualification with a significant research component and with an overall result of upper H2B (mark of 65-69) or above; or
- An Australian or New Zealand coursework master’s degree with a significant research component, and with an overall result of upper H2B (mark of 65-69) or above; or
- An Australian or New Zealand research master’s degree with an overall result of upper H2B (mark of 65-69) or above; or
- A qualification considered equivalent to one of the above.
- Meet the University’s English language requirements.

- A four year Australian or New Zealand bachelor’s degree with an overall result of H2A (Second Class Honours Division A) or above (normally with a research component in the fourth year); or
- An Australian or New Zealand master’s preliminary qualification with a significant research component, and an overall result of H2A or above; or
- An Australian or New Zealand coursework master’s degree with a significant research component graded at Distinction or above, and an overall result of Distinction or above; or
- An Australian or New Zealand research master’s degree with an overall result of H3A or above; or
- A qualification considered equivalent to one of the above.
- Meet the University’s English language requirements.

- Completed the requirement for the Bachelor of Business and Commerce at Monash University or a major sequence in a business and economics related discipline (a minimum of 8 discipline units) as part of an acceptable degree
- Obtained a minimum 70% average grade over Level 2 and 3 of the undergraduate degree in specialised area of business units
- Successfully completed at least one (1) unit in statistics or econometrics as part of the undergraduate degree
- Students must satisfy the minimum English language requirements of the University

- A recognised Bachelor degree or an equivalent qualification.
- A minimum of three years’ work experience with at least one year of professional/managerial experience.
- Applicants will be ranked according to consideration of the following:
  a) employment experience.
  b) the entire academic record - weighted average mark (WAM) of 60% or equivalent GPA preferred.
- Students must satisfy the minimum English language requirements of the University.

- Degree with a minimum of 60% weighted average marks (WAM)

- A bachelor’s degree in a related discipline from Monash University requiring at least four years of full time study, which normally includes a research component in the fourth year, leading to an honours degree at H1 or H2A level; or
- A course leading to a masters preliminary qualification at a level rated by the relevant department, School and committee as equivalent to an honours class 1 or 2A degree; or
- A masters degree in a related discipline, including a significant research component, at least equivalent to an Australian honours degree (a full-time year of research and an examined thesis).
  It is normally expected that a minimum grade of H2A has been obtained for the research thesis or project; or
- A qualification deemed equivalent
- Students must satisfy the minimum English language requirements of the University

- A bachelor’s degree in a related discipline from Monash University requiring at least four years of full time study, which normally includes a research component in the fourth year, leading to an honours degree at H1 or H2A level; or
- A course leading to a masters preliminary qualification at a level rated by the relevant department, School and committee as equivalent to an honours class 1 or 2A degree; or
- A masters degree in a related discipline, including a significant research component, at least equivalent to an Australian honours degree (a full-time year of research and an examined thesis).
  It is normally expected that a minimum grade of H2A has been obtained for the research thesis or project; or
- A qualification deemed equivalent
- Students must satisfy the minimum English language requirements of the University

- A degree in Bachelor of Engineering with upper H2B (a mark of 65 or above) in an honours year in a relevant field; or
- Qualifications or experience that GRC considers to be equivalent to, or a satisfactory substitute for, the above.

- Minimum average of 70% in a 4-year Bachelor of Engineering degree from a recognised tertiary institution, or
- Minimum average of 65% in a 4-year Bachelor of Engineering degree from a recognised tertiary institution with 5 years of relevant working experience. A curriculum Vitae and a 300-word Statement of Purpose is required. A phone interview may be requested, or
- Minimum average of 70% in a 3-year Bachelor Engineering degree from a recognised tertiary institution with 2 years of relevant working experience, and having fulfilled Monash University’s English language proficiency entry requirements

- A bachelor’s degree requiring at least four years of full-time study in a relevant field, and which normally includes a research component in the fourth year, leading to an honours 1 or 2A in a relevant field;
- A course leading to a level rated by the relevant department, faculty and committee as equivalent to an honours 1 or 2A in a relevant field;
- A master’s degree that entails work, normally including a significant research component, at least equivalent to an honours degree in a relevant field (a “significant research component” in a master’s degree will vary from discipline to discipline). It is normally expected that a grade of honours 2A has been obtained for the research thesis or project. Where ungraded, examiners’ reports will be taken into account; or
- Have qualifications which in the opinion of GRC are deemed equivalent.

*Entry requirements are subject to change. Please refer to www.monash.edu.my for the most current information.*
### Entry Requirements

**www.infotech.monash.edu.my**

- A bachelor's degree with honours I, or honours II division A; or
- Qualifications which in the opinion of the Monash Institute Graduate Research (MIGR) are equivalent or a satisfactory substitute. Prospective research candidates are expected to have identified a certain research area of interest prior to applying. They are required to discuss the proposed research project, as well as availability of supervision and facility to conduct research, with the School in which they are seeking candidature.

**www.med.monash.edu.my**

- A bachelor's degree requiring at least four years of full-time study which includes a research component in the fourth year, leading to an honours degree class I, IIA or upper IIB (with an overall mark of at least 65%) from a recognised tertiary institution
- Meet the English language requirements of the university

**www.sci.monash.edu.my**

- A bachelor's degree requiring at least four years of full-time study, and which normally includes a research component in the fourth year, leading to an honours degree class I, IIA or upper IIB (with an overall mark of at least 65 or above) level; or
- A course leading to a level rated by the relevant school, faculty and committee as equivalent to an honours class I, IIA or upper IIB (with an overall mark of at least 65 or above) degree; or
- A master's degree that entails work, normally including a significant research component, at least equivalent to an honours degree (a 'significant research component' in a master's degree will vary from discipline to discipline). It is normally expected that at a minimum, a grade of upper IIB (with an overall mark of 65 or above) has been obtained for the research thesis or project. Where ungraded, examiner’s reports will be taken into account; or
- A qualification deemed equivalent.
- Meet the English language requirements of the University
